Route

The route from Marblemount to the Mazama Country Inn is simple - head east on Hwy Route 20 for about 75 miles. On Saturday, we climb about 6800 feet. On Sunday, we climb 4800 feet. The Inn is on the left shortly after finishing the descent on the east side of Washington Pass (look for the road sign). The weather is often cold (and sometimes wet!) at the top of Washington and Rainy Passes, *regardless of the weather forecast*.

Be prepared! You MUST bring warm clothing and raingear...

Mazama Country Inn

CHECK IN WHEN YOU ARRIVE AT THE INN

Dinner and breakfast are included in your registration fee. In addition, there will be snacks, soft drinks, and beer and wine waiting for us at the Inn when we arrive on Saturday afternoon. You will receive 1 (one) complimentary drink of your choice upon check in.

Please no charges to your rooms. If there are they will need to be closed out before you leave Sunday morning.

Important! No personal alcohol in public areas: In the past, riders have brought private coolers of beer and bottles of wine to enjoy at the Inn after the ride. Apparently, this practice violates the Inn's liquor license, so we can't have private alcoholic beverages in public areas around Mazama Country Inn. You may purchase Alcohol directly from the Mazama Inn.

Saturday Dinner: 6:30 p.m.

Sunday Breakfast: 7:00 a.m.

Vegetarian meals: There will be vegetarian food options at all meals.

If you need to contact the Mazama Country Inn, their phone number is 800-843-7951. Cell phone coverage between Marblemount and Mazama is spotty at best. They do have a phone where you can make calls using your calling card.

See you in Marblemount!
